## A Few Friendly Reminders:

Please do NOT send your child to school if he/she has or has had:

- 1) Fever more than 100 degrees within the last 24 hours
- 2) Vomiting or diarrhea within the last 24 hours
- 3) Continuous coughing not relieved by cough medicine

**It's NOT too late to get your flu vaccine, we recently have had confirmed cases of the flu**

After a few hours, your campfire can reach temperatures of 900 degrees Fahrenheit or more. Always keep a bucket of water near your campfire in case the flames get out of control.
